Premix
Cookware And Home Essentials

Premix, founded by **Badarudheen Pulikkathodi** and **Shahabas Mohammed,** is a leading home appliance wholesaler in Malappuram, committed to delivering high-quality products that enhance everyday living. Built on strong values of integrity, quality, and customer-first service, the brand focuses on providing reliable solutions for modern households.

Our product portfolio includes fan collections, cookware collections, stove collections, electrical items, and non-stick collections, ensuring a complete solution for both kitchen and home essentials. Each product is selected based on strict quality standards, ease of use, and long-term performance, helping customers make confident and value-driven choices.

At Premix, we prioritize customer satisfaction through transparent pricing, dependable service, and consistent product excellence. Our commitment to quality and trust has positioned us as one of the preferred home appliance wholesalers in Malappuram.

With a vision to bring comfort, convenience, and innovation into every home, Premix continues to set standards in the home appliance industry without compromise.
